December 31, 2008

Dear Friends in Service,

January 1, 2009 marks the beginning of the Directors of Volunteers Association new membership year. The mission of DOVA is to promote advocacy, networking, and the professional development of managers of volunteers, and to support and foster the effective use of volunteers in our community. One of the goals of the newly elected DOVA Board is to work together to further accomplish that mission throughout this next year. Another goal is to encourage more involvement from members in coordination and leadership roles within our association. We also will strive to provide you with tools to help you position your program for increased results and respect.

Enclosed is an invoice for your membership dues payable by Monday, March 2, 2009. VolunteerLEON serves as DOVA's membership contact, therefore all dues and membership applications should be sent to their office (918 Railroad Avenue, 32310). However, checks should be made payable to the Directors of Volunteers Association, **not** to VolunteerLEON.

It is my sincere hope that you will join us for this exciting opportunity to share, learn and enjoy the fellowship of your colleagues and friends by participating in our workshops, luncheons, special projects and programs throughout the year.

In service,

Michael S. Edwards
