Camp Activate Rules and Regulations: In order to ensure that our camp runs smoothly please read the following rules and regulations and sign below that you have read and agree to them. This portion is required to participate in the camp.

- Participants are to sign in and out everyday and to check in with a facilitator before leaving.
- Show up on time. If something comes up (as things do) and you're late, sign in as usual and check in with a facilitator.
- Please turn off your cell phones during the camp. Parents may call the office if they need to contact you.
- Dress appropriately. Be sure your T-shirts do not contain any offensive symbols or messages.
- Please be respectful of the facilitators and your fellow participants. We want this to be a comfortable environment for everyone to grow.
- If you are hurt by anything someone says or does during the camp, please bring it up either to the group or to one of facilitators.
- Actively participate! It won't be any fun if you sit sulking in a corner, even if you come in a bad mood participating with the other camp members will definitely cheer you up.
- If you aren't feeling well or you are injured in any way (even a paper cut) during the camp, tell us immediately.
- When eating or drinking in the Community Room please clean up after yourself if you make any spills. The county just redid the carpet, and we'd like to be allowed to use it next year!
- Please keep up with camp materials.
- When off of camp grounds and moving from site to site, do not wander away from the group for any reason.
- Violence will not be tolerated.

Rules and Regulations Statement: I _____ have read and understood the above rules and regulations. I understand that they are there to ensure that everyone gets the most out of the camp and that violations of these rules and regulations may result in warnings, inability to participate in off site activities, parental notification or ejection from the camp.
