Please submit this form to VolunteerLEON **before** you begin volunteering. Permission from your supervisor is necessary in order for you to participate. You must complete a new enrollment form for every organization that you volunteer with. Remember to take the Project LEAD timesheet found at <http://intra/Volunteer> with you to your volunteer site. Forms can also be sent to you by calling 606-1970. It will be necessary to have the organization sign off on your timesheet every month.
